

# Flexible Sign Holders

Genuine design, one product, multifunctional.

With our newly designed product, we would like to bring a new dimension of performance in menuboards. The Flexible Sign Holder fulfills multiple functions thanks to its adjustable height and paper position applications through various standing angles on the back. The height of the unit, the landscape/portrait positioning and the eye catching view angle are all flexible. The product is protected worldwide by all required patent and design applications. It has already been certified in DE (Germany), FR (France), US (United States of America), JP (Japan) and OHIM (European union) papers. The worldwide patent is pending.

Packed unassembled with an easy-to-understand instruction sheet.

Heavy base provides stability in highly frequented areas.
