## About this Catalog

---

- Possible CREO configurations are endless. All components have a list price and we offer deep discounts to qualified resellers. Catalog assemblies show a reference number, for which our sales staff can offer wholesale pricing as of June 2012.
- Creative Design - view catalog as an idea book. Together, we can design custom products to meet specific needs. Engineered prototypes can ensure stability and functionality before production runs.

# Innovative Design, Tool-Free

... a compelling value proposition.
